They are being presented consistent with FDA guidelines and is not approved for continuing education credit. A meal will be provided for attendees of these programs. These medical presentations are intended only for invited Health Care Professionals for whom the information to be presented is relevant to their practice. We regret that spouses or other guests cannot be accommodated. As a result of enacted state regulations food, beverage and/or meals will not be provided by Lilly USA, LLC of Takeda USA, LLC for Health Care Professionals from the states of Minnesota, Massachusetts and Vermont.

## OVERVIEW

This conference has been designed to provide a broad overview of clinical and professional issues that impact physician assistants. Its main focus is to address those issues from a primary care perspective. We aim to address the growing educational needs of PAs by providing current information from specialists within their respective fields.

## TARGET AUDIENCE

The educational design of this activity addresses the needs of PAs involved in the treatment of patients in a primary care setting.

## ACCREDITATION

This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial support of Live Programs. Conference organizers have requested 15 hours of AAPA Category I CME credit from the Physician Assistant Review Panel.
